

ICT Adds Radio Covers For Kenwood NX-5700 and NX-5800 Land Mobile Radios

ICT has added new radio covers for the latest Kenwood mobile radios, the NX-5700 and NX-5800. The new ICT base station cover and high efficiency, switch mode power supply allows you to build a compact, integrated base station system. For more details on this and other radio models go to www.ict-power.com, click on the FIND RADIO COVER link, and download our latest Base Station Matrix reference tool.

Radio Model	ICT Cover	ICT Power Supply	ICT Complete Station
NX-5700 / NX-5800	BASE-KEN13	ICT12012-15A	CS120-15A/KEN13

ICT radio covers can be ordered in two ways. You can select the Cover and ICT power supply separately, or you can order the Complete Station model number which gives you the power supply and cover together.

Order ICT base station cover

+

Order matching ICT Comm Series power supply

OR

Order ICT Complete Station that includes cover and power supply
